SPONSORSHIP OPPORTUNITIES

Dear Friends of Seton Hill Soccer,

It's a great privilege for the Men's and Women's Soccer teams to welcome you to our 2017 golf outing as we celebrate our 15-year anniversary. I would like to take this opportunity to thank all of you for your continuing support of our program!

The funds raised at this event will be used to enhance our budget and provide additional equipment to our program. All of the monies raised will benefit our student-athletes and will assist us in providing them with the best possible experience.

Our goal as we enter our fifth season in the Pennsylvania State Athletic Conference (PSAC) is to make a run for the conference title. Our team is well prepared for next fall, and we will continue to compete at a high level. Our student-athletes are battle tested, experienced and hungry to compete. With your help, our 2017 campaign will be a successful experience for everyone.

We are pleased to have our corporate sponsor on board again for this event. We recognize Mr. Martin Kerr, a Scotland native who offers continual support to our program. He is the President of Bestborn Business Solutions and has a long history of supporting "football" since his arrival here in the states.

If you cannot make the date, your support in the form of a donation or a gift for the raffle would be greatly appreciated.

Yours in Soccer,

Dan McCarty
